OINK!

AT LAST - THE SHOCKING TRUTH!

4:15 am DJ and wife (the Pig, of course) wake up and climb into bed with them. Dave goes back to his own (dry) bed.

7:15 am Pig gets up and goes down to feed children.

7:30 am DJ gives up trying to sleep through sounds of snoring, weeping, downstairs and children refuse to do anything - so eat, get dressed, precision park, clear the table, clear closed shelves brought in by cats (4).

8:45 am DJ cycles to school through a foggy (true) sea with Alexandra and Thomas.

A DAY IN THE LIFE OF A DJ

CHARACTERS: DJ - John Peel. PIG - John's wife. PEEL KIDS - William, Alexandra, Thomas, and Florence. "SHOCKING!" - Mary Lighthouse. "NEVER" - Simon Bayles.

Porches and make thousands of pounds a night giving pictures of themselves to adoring fans. Growl green with envy and inspires himself in a similar situation but with dissatisfied fans throwing pictures on floor and walking away.

3:30 pm Children start returning from school and after spending hours waiting - they are all appearing rather late - Dave is ready for Dave into London (which his dislikes intensely because there aren't any decent cafes near the BBC) - and the straits are always attended with parking of French school children studying each other's George Michael profiles. Children donning appropriate costumes for ballet, jazz, karate, tap dancing lessons (all supervised) as Father contemplates rolling through on cottage into wonderland where he is going to live the £10,000 necessary to be some.

RADIO ONE'S JOHN PEEL TELLS ALL!

Just get a lot of Second Drive on football on radio and TV. Laughs for first time in day.

10:00 pm Starts driving away on road. Plays records at wrong speed etc. No-one in building except for a bad engineer nodding.

12:00 midnight DJ inspects programme, listens to news and wanders into street.

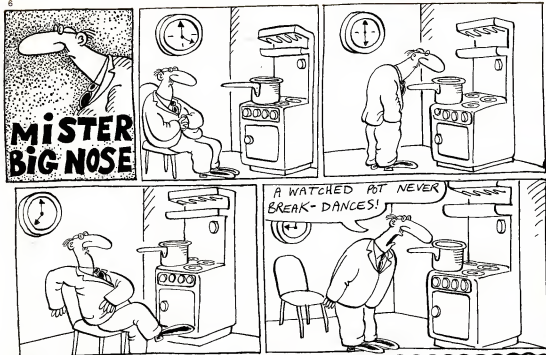

12:05 am Finds bicycle and cycles three miles to mother's house, dodging dangerous and extremely powerful cars.

12:30 am Gets down with Mother to watch amusing TV programme she has videotaped. Finds she has pressed wrong button and recorded chills instead. Retreats to small, dimly room to read book about the Black Death (my mother seems rather keen on plague etc) before going to sleep.

1:00 am Woken by construction work on Circle Line (northbound) platform which is built directly onto mother's house. As dozens of men called Eric set about demolishing walls with crowbars, DJ sits up in bed, reaches for book of Black Death.

3:40 am The masked Eric stop knocking. DJ talks politely to group of wife and home. Even masses grumpy children. (Our Porcine told me yesterday that she lived fine - but not much. Difficult for a fond dad to have that!)

GORGE MICHAEL

Why I gave HAM! the chop!

GORGE MICHAEL ANSWERS OUR SEARCHING QUESTIONS ABOUT THE SPLIT THAT ROCKED THE WORLD OF PIGGY-POP.

Why did you pick this particular time to end your partnership with Andrew Pigley?

I wanted to quit while 'Ham!' was successful, well-loved and musically respected. But I couldn't wait that long, so I did it last week.

Did you have musical differences with Andrew?

Yes. I felt that I needed to work with musicians who were more skilful than Andrew --- which is why I've got Bamey the Busker and his Comb-and-Paper Orchestra and Sammy the Performing Seal on my new solo album.

Didn't you disagree about the band's image as well? I recall that

you once accused Andrew of having a 'weight problem'.

Yes. If he saw food, he couldn't wait to eat it. But seriously, our main disagreement was over Andrew hogging the limelight. He'd stand at the front of the stage, and the fans wouldn't be able to see me, or the backing band ... or the singers ... or the amplifiers

Isn't it unfair of you to give Andrew the sack so suddenly?

Not at all. When I met him, he was living in the gutter. It's thanks to me that he's left all that behind and is where he is today ... on a nice comfy bench in the park, twiddling his thumbs.

Cult Shock Sensation 'I don't wear any underpants!'

Ian Astbury of that excellent band 'The Cult' talks to our very own Janice Pong about 'OINK!', 'The Cult' and pigs.

IAN — I think it was already full of them.
JANICE — Yes, quite. Finally, Ian, do you have a message for Cult and 'OINK!' fans?
IAN — Yes! Keep buying and enjoying Cult records and OINK! See Ya!

JANICE — How did you get into 'OINK!'?

IAN — I didn't get into it. I got into my car or my bath but I read 'OINK!'

JANICE — Sorry! What made you start reading 'OINK!'?

IAN — Well it's just so funny, and rude and disgusting. I mean, the humour's so off the wall! It's great, much better than the boring old Beano or Buster.

JANICE — Which are your favourite 'OINK!' characters?

IAN — I love Burp, he's so smelly and disgusting and Mr Bignose 'cause he's so daft.

JANICE — Any plans to include pigs on your record?

IAN — Sure. Why not. Anything's possible. But in the meantime I've stopped eating bacon butties.

JANICE — For Out!...er... I mean...er... What colour underpants do you wear?

IAN — I don't wear any.

JANICE — Oooh...

...What's the best way to break into pop music?

IAN — Through the back window. Har! Har!

JANICE — Well, Yes...er... Do you think there should be more pigs on Top of the Pops?

Ian Astbury, pictured here without his underpants!

CULT She Sells Sanctuary (single)

Brill! One of my favourite all time singles! This one will have your trotters stomping! If it doesn't, pigs can fly!

CULT Rain (single)

There's nothing a pig likes better than rolling in the mud after a spot of rain. So I'm having this single piped into my sty for my next mud bath. Um, can't wait!

CULT Revolution (single)

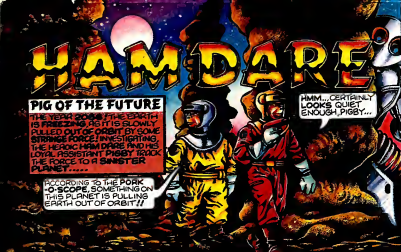

Revolution! This is what us pigs have been after for some time now. Play this record while you're chasing your local butcher out of town. Pig Power! and another bit of crackin' from 'The Cult'.

IT'S A
BEAUTY!

how to be a very very great big huge show business sensation

(like paul macartney - 5 star and frank sidebottom)

by ace reporter frank Sidebottom

hello pink readers...frank here with a fantastic page!
now!...i constantly get no letters about how
to be a show-biz sensation... (only joking... i get loads)
so... as i have a spare minute before my mum gets back
from the shops... here are some do...s and don't...s on
how to climb the 'ladder of success' (without even falling off)

→ so let's start with the "do's" ✓

1 get yourself a 'ladder of success'
(only joking... it's just a
show-biz saying!)

2 get yourself a
fantastic gimmick...
(i have a brilliant gimmick
which makes me stand out from
other stars like phil collins and
his sister joan... yes-sir-ree...
my bright pink tie is really eye-
catching... but don't jump on my
big band wagon log all rushing
out to buy pink ties... oh no!
you must be original (why not
try an orange tie instead?)

3 buy your song-writing paper

1. don't ask your milkman
to play the drums in your band
unless he is on the phone
as you will waste valuable
paper leaving notes in the
milk-bottles saying '2 pints
please - gig tonight.'

2. never make yourself a
ventriloquist puppet as they

have you seen that group 'go west'?
who never wear their sunday best
and one wears a dirty old t-shirt
and the other one wears a

big the... lorry load... elton john once
told me he had a brilliant number one
song idea, but never wrote it down as
he had run out of paper... i have
written more songs than the b.b.c.
radio orchestra... and there's
hundreds in their group... they just
never seem to have any paper
between them... so they have to sing
other people's tunes.

4. some artistes like to dress
up like very silly sissies
to attract attention!
not me! i mean, can you
imagine me in seige
seige spootnick? in fact
put this last do under don'ts
to be on the safe side!!

→ and...now...onto...the 'don'ts' ✗

steal all the time-light and ruin your rec-
ordings (as little frank has
ruined mine up til now)

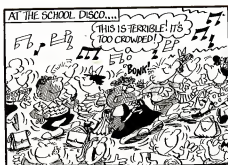

3 as a final test i
will start a fan-
tastic song and
you must complete
it... (now where
did i put that piece
of paper?... ah yes.)

then send your completed song to - frank sidebottom's song for
europe comp. co Oink, p.o. box 35, hyde cheshire, sk14 5tb
and the best one will win a set of my records/t-shirt/wedgies/pinkos
e.t.c. so dig out that spare paper now! and it'll be back in 2 weeks time... thank you. frank sidebottom

frank's firm fan club... s.a.e to
frank sidebottom, p.o. box 11
